Xeni Jardin on Boing Boing reports that the DHS series I mentioned a while back was all an elaborate scam to bilk investors out of millions. (One tip-off has got to be that they changed their domain name from [www.dhs.tv](http://www.dhs.tv) to [www.dhstheseries.tv](http://www.dhstheseries.tv). And curiously, their “News” page just says `P ALIGN"LEFT"/P` .) Read Ms. Jardin’s article for more linkity goodness. I guess this has a good side: It means no FEMA episode.
