

More Vista wallpapers from Hamad Darwish

 devblogs.microsoft.com/oldnewthing/20070228-01

February 28, 2007

Raymond Chen

Long Zheng does it again. He follows up his interview with Hamad Darwish with a report on what Hamad has been doing lately, as well as links to high resolution versions of the entire Vista wallpaper photo shoot, including photos that didn't make the final cut.
