Get it while it's hot. Available through this weekend only, *[Dr. Horrible's Sing-Along Blog](#)* is a three-act Web series featuring Neil Patrick Harris as *Dr. Horrible*, a wannabe mad scientist evildoer who video-blogs about his plans for world domination, his application to the *Evil League of Evil*, his arch-enemy *Captain Hammer*, and his crush on the cute girl at the local laundromat.

Oh, and it's a musical.

Episodes [one](#) and [two](#) are available now. Episode [three](#) goes online on Saturday.

Watch it.

Trust me.

Watch it.
