

Proto-Microspeak: Coceptualize

 devblogs.microsoft.com/oldnewthing/20090721-00

July 21, 2009

Raymond Chen

Many years ago, to see whether anybody was paying attention, a colleague and I slipped the made-up word “coceptualize” into a document. Nobody said a thing.

Either nobody read that part of the document, or they did and thought it was a real word.
