

# Microspeak: Dialogue

---

 [devblogs.microsoft.com/oldnewthing/20100302-00](http://devblogs.microsoft.com/oldnewthing/20100302-00)

March 2, 2010

Raymond Chen

Why have a conversation when you can *dialogue*?

I think this is minimal work, but do others care? If they don't, then this is one for the *ideas that failed* bin. If they do, well let's dialogue...

No need to talk when you can *dialogue*.
