

An insight into the balance between forgiveness and permission

 devblogs.microsoft.com/oldnewthing/20100518-00

May 18, 2010

Raymond Chen

One of my colleagues shared this valuable insight into the balance between forgiveness and permission, which he in turn learned from a high-level manager in his organization:

 | The statement that it is better to ask for forgiveness than to obtain permission is true 90% of the
 | time. The key to success is knowing where the other 10% is.
