

Get your Contoso-branded merchandise while you can

 devblogs.microsoft.com/oldnewthing/20120803-01

August 3, 2012

Raymond Chen

Long-time observers are familiar with Contoso, the fake company name used in Microsoft samples and demonstrations. The Windows Phone folks have started running with the joke and creating their own line of Contoso-branded merchandise. (Of course, if you get the Contoso mug, you should fill it with Fourth Coffee.)
