Today is the [Microsoft Giving Campaign 5K Run/Walk](#), which raises money in support of the [Crohn's & Colitis Foundation](#), [KEXP](#) radio, [Boys & Girls Clubs of Bellevue](#), and (new this year) [Plymouth Housing](#).

This is a fun event, not a race, and friends and family are welcome to participate. But one of my colleagues pointed out that there are some ground rules:

To ensure that this is a safe and fun event for all participants, the following are not permitted on the race course:

- pets (this policy does not apply to service animals)
- skateboards or rollerblades
- wagons
- scooters or segways
- office chairs ←
- any other items deemed potential hazards.

You can try to guess [how that fifth item got on the list](#).
