November 9, 2023

**Cyberwarzone.com** – The WeRedEvils hacking\_group has contacted **Cyberwarzone.com** to claim the attack on the [Tasnimnews.com](https://tasnimnews.com) website.

On the 5th of November, the hacking group WeRedEvils targeted the Iranian Electric Grid, and today, they share that they attacked the Tasnimnews website, which resulted in the website being offline.

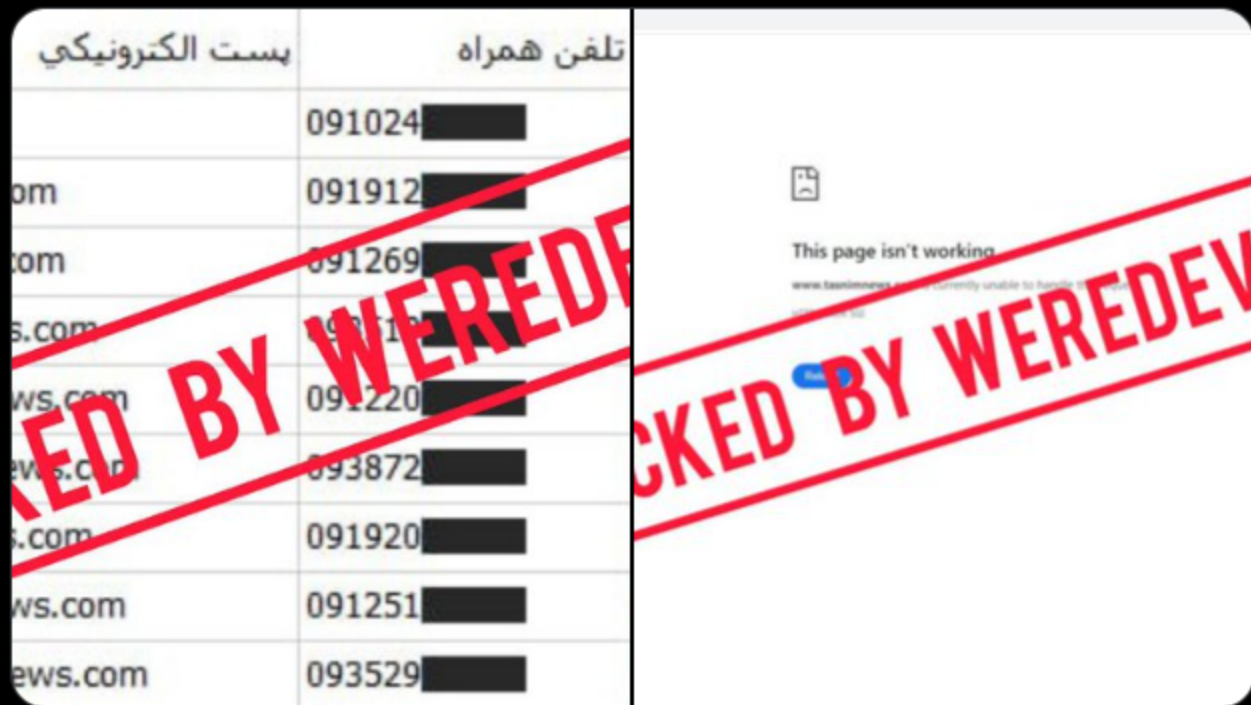

WeRedEvils @WeRedEvils

**🇮🇷 We got access to Iran state-sponsored news agency, TASNIM NEWS HEBREW website and database.**

**The website is out of access currently and we stole the data!**
